

Kids & Youth Behaviour Policy

From midweek groups to Sunday mornings, all our programmes are designed with Kids & Youth in mind. To help our Kids & Youth have fun and grow in their faith we use 4 key principles.

Our Kids & Youth work is S.A.F.E

From time-to-time children or Young People who attend our groups and events can struggle to keep themselves or others around them safe. There are very rare instances where children or Young People are struggling so much that they should immediately be collected by their adult. We will do our best to work with them to help them re-engage with the session.

If this cannot be achieved, these are the following steps we will take to ensure your child's safety and the safety of those around them.

1. Have some time away from the activity either sitting quietly or talking to a leader. Then return to the activity. ***If this doesn't help, then...***
2. On a Sunday we may ask a parent to come and have a conversation with the child before they return to the session. ***If this doesn't help, then...***
3. We will ask parents to collect their child from the session for that day.

In the event of recurrent unsafe behaviour, we may ask that the child or young person has a break from attending our activities.

All of the above will be done with your child's safety in mind. At all times we will endeavour to keep parents and carers updated about what has happened in our sessions and work with you to ensure your child returns ready to join in with our activities.
